Reg.: line tariffs increasing on SCL

Dear Customers, SCL Supporters!

Please be advised that due to increasing of vessels operational costs on SASCO Chine Line, starting from 01.08.2014 (from voyage #1429 of m/v "Lilly" ETD NGB – 03/08; ETD SHA – 05/08) we are forced to set the GRI (General Rate Increase) in sum of USD 100 per TEU COC/SOC for all container types to the line tariffs for all shipments on directions from China ports to Vladivostok and Vostochniy.

Please be noted that we will continue to do our utmost in providing the best service to our Customers and Partners. And if you require any additional information please do not hesitate to contact us.

Faithfully Yours,  
Deputy of SASCO general director
